PUBLIC INFORMATIONAL MEETING

South Branch Buffalo River Restoration

Buffalo-Red River Watershed District (BRRWD) Board of Managers have scheduled an informational meeting to discuss the South Branch Buffalo River Restoration on **Monday April 8, 2024, from 5:00 PM to 6:30 PM** at the Watershed District Office, 1303 4th Ave NE, Barnesville, MN. Members of the public are invited to attend to listen to a brief presentation and provide comment.

BRRWD is planning to restore a portion of the South Branch Buffalo River from Highway 9 to the Wilkin-Clay County Line. The goal of this project is to maintain drainage, improve water quality and habitat, and reduce sediment and nutrient loading to the channel.

This meeting will be strictly informational and will give an opportunity to discuss existing problems and possible ways this project can address those concerns. Please contact the BRRWD office if you have any questions.
